THE 20TH NATIONAL TWO WAY BILINGUAL IMMERSION CONFERENCE
Looking Back to Move Forward in TWBI/DL Education

JUNE 27 TO JUNE 30, 2012 • NEWPORT BEACH MARRIOTT HOTEL & SPA
NEWPORT BEACH, CALIFORNIA

Dear TWBI/Dual Language Colleagues,

This conference marks an amazing milestone in the development of Two Way Immersion and Dual Language programs throughout the United States. It is hard to believe that we have entered another decade working with the one of the most formidable program designs in the country. We are exceedingly proud of our schools, teachers and administrators because we know that their commitment to second language learning for their respective students has translated into hundreds of successful schools! In many regions of the country, schools are using TWBI/DL programs as part of their accountability programs or Turn-Around reform efforts because of its focus and success on the progress of English Learners and all significant sub-groups. In ensuring the success of the native speaking students in these programs, schools have discovered that everyone can be and will be able to reach linguistic and academic targets.

Be sure to mark June 27-30, 2012 on your calendar and send in your registrations as soon as possible to take advantage of local funding such as Title I, Title II, Title III, Staff Development funding, local bargaining association scholarships, Donors Choose requests, local foundation funding, etc. to bring you and members to Newport Beach, CA. Please note that the conference will begin on Wednesday afternoon and end on Saturday afternoon. ¡Hasta pronto!
